(*a*) The licensee shall not erect overhead mains for use at any higher pressure than medium pressure without the sanction in writing of the Government in each case and subject to such conditions or limitations as the Government may impose.

(*b*) Aerial lines in the vicinity of a building or structure shall be erected to comply with the Indian Electricity Rules concerned and in no case

shall an aerial line be at a less distance than 4 feet horizontally and/or 8 feet vertically from any building or structure whether permanent or temporary.

(d) Where any electric supply lines cross or run along the routes of a taboot, temple, car or similar other religious processions, the supply lines shall be laid underground or placed at such height as will allow of the free and safe passage of those processions. In case of dispute, such routes and heights shall be determined by the District Magistrate.

Removal of lines.

(e) The licensee shall remove or place at his own expense any aerial line which runs along or across any street if in the opinion of the Government it is considered necessary to do so.

11. *Nature of supply.*—The systems and pressures of supply which shall be adopted for the supply of electrical energy under this license are the following:—

Provided that the licensee may from time to time with the previous consent in writing of the Government and subject to such limitations and conditions as shall be prescribed in writing by the Government, adopt any other pressures or systems of supply or both for the purpose of this license.

Limits of rates to be charged in respect of the supply of energy.

12. The rates to be charged by the licensee for energy supplied by him shall not exceed those stated in that behalf in the Third Annexure or in the case of a method of a charge approved by the Government in accordance with clause (c) of sub-section (3) of section 23, of the Act, such maxima as the Government may fix on approving the method.

13. With the concurrence of the licensee the Government may purchase the undertaking at any time on the payment of an amount to be mutually agreed upon. In the absence of agreement as to the purchase price the matter shall be settled by arbitration.

Bulk supply.

14. Should a supply of electrical energy in bulk become available at any future date from any source at such rates that the net rates and other charges payable by consumers for the supply of distributed energy under this license could, in the opinion of the Government, be reduced, the licensee shall obtain his supply from such source and shall also reduce the rates charged to consumers as referred to in clause 12 of this license and also the net rates by such amount as shall be decided by the Government.

The decision of the Government on the operation of this clause shall be final.

Distribution of revenue.

15. (i) When the profits made by the licensee are sufficient to compensate for past losses, if any, and enable a net profit to be shown at an average rate of six per cent. per annum for the past years on the capital employed for each such year the excess shall be utilised as Government directs for the benefit of consumers.

(ii) Profit in this case is defined as the difference between the gross revenue and the working and maintenance expenses for the undertaking which include amounts set aside for reserve.

(iii) Working and maintenance expenses include—

(a) Cost of power (when purchased from another source), of fuel, oil, water and stores consumed, salaries and wages, contribution for pensions, provident fund, superannuation and insurance for officers and servants; cost of repairs, maintenance and renewals of small parts.

(c) All reasonable management and general establishment charges and other expenses on revenue account attributable to the undertaking.

(d) Reserve equal to two per cent. per annum of the capital invested in the undertaking, which may be set aside annually as a reserve fund for emergencies. When the reserve accumulates to an amount equal to eight per cent. of the capital the contribution shall be discontinued or reduced in such a manner as to maintain the reserve at eight per cent. of such capital.

The licensee, being a local authority, it is not necessary to provide for a depreciation fund under this license but a reserve fund is to be maintained as stated in sub-paragraph (d) of this sub-clause.

(iv) The property of the licensee used in the electrical undertaking (*e.g.*, buildings, machinery, stores, mains, poles, etc.) shall be insured against loss by fire excepting specified items which Government from time to time agrees shall not be subject to insurance.

Management expenses and interest on loans.

16. Ordinarily no Managing Agents are to be employed for the purpose of carrying into effect or working this license but in those exceptional cases where Government may approve of Managing Agents, the rates of remuneration to be paid to the Managing Agents shall be fixed by the Government.

The rates of remuneration to be paid to Directors and persons other than the staff employed by the licensee or the actual running of the undertaking and also the rates of interest for loans, etc., and any changes in such rates shall be subject to the prior approval of the Government in each case.

Variations from the schedule to the Act.

17. In pursuance of clause (*f*) of sub-section (*2*) of section 3 of the Act, it is hereby expressly declared that—

(*a*) The following sentence shall be added between the words "Licensee" and "and" at the end of clause (*a*) of the first proviso to sub-clause (*i*) of clause VI of the schedule to Act:—"And to comply with the conditions of supply made from time to time with the previous sanction of the Government under section 21(2)".

(*c*) Sub-clause (*a*) of the first proviso to clause VI of the schedule to the Act shall for the purpose of incorporation in this license be further carried to the following extent, namely, that the licensee shall not be bound to supply energy to any person for any period unless the person requisitioning such supply shall enter into an agreement as required by clause 7(*ii*) of this license.

(*d*) The first proviso to clause XI of the schedule to the Act shall, for the purpose of incorporation in this license, be varied by the substitution of five years, for the period of seven years specified in that proviso.

(*e*) The following sub-clause shall be substituted for clause X, sub-clause (*2*), namely:—

"Within three months from the date of the granting of this license the licensee shall give notice by public advertisement in such manner as shall be previously approved by the Government, of the method by which he proposes to charge for energy supplied and the rates at which such energy will be supplied; and, where the licensee has given such notice he shall not be entitled to change the method of charging or the rates at which energy will be supplied without giving notice thereof by public advertisement in the manner aforesaid and giving not less than one month's notice in writing or such shorter notice as the Government may deem proper of such change to the Government and to every consumer of energy who is supplied by him."

Securing continuity of supply.

18. It shall be the duty of the licensee (which expression shall, for the purpose of this clause and clause 19 immediately following be taken to mean and include the licensee, his employees, servants and agents and his permitted assigns) to give the nearest Magistrate immediate and full information of any circumstances in which interruption of the supply may be apprehended as a result of civil commotion or disturbance of the public peace or any strike or lock-out of the nature specified in section 15 of the Trade Disputes Act, 1929.

19. The licensee shall not employ or engage any other party to work his undertaking or to carry out the work of supplying energy under this license except with the previous written consent of the Government wholly or to such extent as the Government may think fit.

Revocation.

20. If the licensee shall in the opinion of the Government have failed to give such immediate and full information as is required by clause 18 hereof or if at any time any interruption of the supply shall occur which in the opinion of the Government is attributable to any wilful or preventible default or neglect on the part of the licensee or which in the opinion of the Government could by the exercise of reasonable care have been prevented by the licensee or if the licensee shall in the opinion of the Government, fail to comply with any of the provisions of this license or if the general direction and control of the licensee shall cease to be in the hands of British subjects, the license may be revoked.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to amend the Calcutta Improvement Act of 1911 so as to provide for the extension of the operations of the Calcutta Improvement Trust to the town of Howrah for the improvement and expansion of that town, for which there has been a strong local demand for some time past.

2. The main features of the Bill are briefly explained below :—

(1) In order to provide for the representation of the various interests in Howrah on the Board of Trustees for the Improvement of Calcutta and to ensure that the representatives of Howrah may have an adequate opportunity of considering all schemes relating to that area at their inception, it is proposed to enlarge the constitution of the Board by the addition of five representatives from Howarh and to set up a Standing Committee—to be known as the Howrah Committee—on which the Howrah representatives shall form the majority; this Committee shall consider, in the first instance, all proposals relating to the improvement of Howrah prior to their being placed before the Board of Trustees.

(2) At present there is no sewerage system in the town of Howrah, and as no adequate improvement of a modern town is possible without such system, it is proposed specially to authorise the Board of Trustees to execute a complete Howrah Drainage and Sewerage Scheme, including outfall and pumping works.

(3) For financing the operations of the Board of Trustees in the town of Howrah (or, as occasion may arise, in areas adjacent thereto on the west side of the river Hooghly), it is proposed to constitute a separate fund, to be called the Howrah Fund, to which will be credited—

(*i*) the proceeds of an additional stamp duty of two *per centum* on transfer of immovable properties, including long-term leases, within the Howrah Municipality;

(*ii*) a contribution from the Municipal Fund of Howrah equivalent to one-half *per centum* per quarter on the annual rateable valuation of holdings within the Howrah Municipality, there being an obligation on the Municipal Commissioners of Howrah to make up the deficit if the combined proceeds from these two sources fall short of Rs. 2½ lakhs in any year;

(*iii*) an annual sum of not less than Rs. 3 lakhs to be contributed by the Board of Trustees for the Improvement of Calcutta from its present resources.

(4) Provision has also been made in the Bill for the Provincial Government, after approving and sanctioning the Howrah Drainage and Sewerage Scheme, to contribute one-third of the capital cost of the Scheme.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 19th May 1944.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1943-44.

(*Note.*—On an average of the five years ending 1941-42 the area under linseed in Bengal has represented some 3·6 per cent. and that of rape and mustard 12·2 per cent. of the total area under these crops in India.)

Character of the season.—Since the submission of the Second Forecast in March last the effect of weather has been generally favourable. Some damage was, however, caused to the crops by insect-pests and irregular distribution of rainfall at places.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is less extensive. The total area under these crops (excepting sesamum for which separate forecasts are published) is returned at 1,018,800 acres as against 1,087,200 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 73 per cent. as against 78 per cent. last year.

Taking 6½ maunds as the normal yield per acre for linseeds, 6 3/5 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yield of the crops for the province is estimated at 176,500 tons this year as against 200,700 tons last year.

M. CARBERY,
Director of Agriculture, Bengal.

PART V—Acts of the Indian Legislature assented to by the Governor-General and Ordinances promulgated by the Governor-General.

GOVERNMENT OF INDIA.

Legislative Department.

The following Act of the Indian Legislature received the assent of the Governor General on the 12th April, 1944, and is hereby promulgated for general information:—

ACT No. XI OF 1944.

An Act further to amend the Indian Income-tax Act, 1922.

WHEREAS it is expedient further to amend the Indian Income-tax Act, 1922 (XI of 1922), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. Short title.—This Act may be called the Indian Income-tax (Amendment) Act, 1944.

2. Amendment of section 7, Act XI of 1922.—In sub-section (*1*) of section 7 of the Indian Income-tax Act, 1922 (XI of 1922) (hereinafter referred to as the said Act), in *Explanation 2*, the words "at or in connection with the termination of his employment, whether or not the employment is then terminated or to be terminated," shall be omitted.

3. Amendment of section 14, Act XI of 1922.—In sub-section (*1*) of section 14 of the said Act, after the words "Hindu undivided family" the following words shall be added, namely:—

"where such sum has been paid out of the income of the family".

4. Amendment of section 15, Act XI of 1922.—After sub-section (*2*) of section 15 of the said Act, the following sub-section shall be inserted, namely:—

"(*2A*) Nothing in sub-section (*1*) or sub-section (*2*) shall apply to so much of any premium or other payment made on a policy other than a contract for a deferred annuity as is in excess of ten per cent. of the actual capital sum assured; and in calculating any such capital sum no account shall be taken of the value of any premiums agreed to be returned or of any benefit by way of bonus or otherwise which is to be or may be received either before or after death either by the person paying the premium or by any other person and which is not the sum actually assured."

5. Insertion of new section 18A in Act XI of 1922.—After section 18 of the said Act, the following section shall be inserted, namely:—

"18A. *Advance payment of tax.*—(*1*)(*a*) In the case of income in respect of which provision is not made under section 18 for deduction of income-tax at the time of payment, the Income-tax Officer may, on or after the 1st day of April in any financial year, by order in writing, require an assessee to pay quarterly to the credit of the Central Government on the 15th day of June, 15th day of September, 15th day of December and 15th day of March in that year, respectively, an amount equal to one-quarter of the income-tax and super-tax payable on so much of such income as is included in his total income of the latest previous year in respect of which he has been assessed, if that total income exceeded six thousand rupees. Such income-tax and super-tax shall be calculated at the rates in force for the financial year in which he is required to pay the tax, and shall bear to the total amount of income-tax and super-tax so calculated on the said total income the same proportion as the amount of such inclusions bears to his total income or, in cases where under the provisions of sub-section (*1*) of section 17 both income-tax and super-tax or super-tax are chargeable with reference to the total world income, shall bear to the total amount of income-tax and super-tax which would have been payable on his total world income of the said previous year had it been his total income the same proportion as the amount of such inclusions bears to his total world income:

Provided that, where the previous year of the assessee in respect of any source of income ends after the 31st day of December and before the 30th day of April, the order in writing issued by the Income-tax Officer requiring the payment of income-tax and super-tax on that source of income shall substitute for the four quarterly payments hereinbefore specified, three payments of equal amount to be made on the 15th day of September, the 15th day of December and the 15th day of March, respectively:

Provided further that, if the assessee is a partner of a registered firm and an assessment of the firm has been completed for a previous year later than that for which the assessee's last assessment has been completed, his share in the profits of the firm shall, for the purposes of this sub-section, be included in his total income on the basis of the latest assessment of the firm:

Provided further that, if after the making of an order by the Income-tax Officer and before the 15th day of February of the financial year an assessment of the assessee or of the registered firm of which he is a partner is completed in respect of a previous year later than that referred to in the order of the Income-tax Officer, the Income-tax Officer may make an amended order requiring the assessee to pay in one instalment on the specified date, or in equal instalments on the specified dates if more than one, falling after the date of the amended order, the tax computed on the revised basis as reduced by the amount, if any, paid in accordance with the original order; but if the amount already paid exceeds the tax determined on the revised basis, the excess shall be refunded.

(*b*) If the notice of demand issued under section 29 in pursuance of the order under clause (*a*) of this sub-section is served after any of the dates on which the instalments specified therein are payable, the tax shall be payable in equal instalments on each of such of those dates as fall after the date of the service of the notice of demand, or in one sum on the 15th day of March if the notice is served after the 15th day of December.

(*2*) If any assessee who is required to pay tax by an order under sub-section (*1*) estimates at any time before the last instalment is due that the part

of his income to which that sub-section applies for the period which would be the previous year for an assessment for the year next following is less than the income on which he is required to pay tax and accordingly wishes to pay an amount less than the amount which he is so required to pay, he may send to the Income-tax Officer an estimate of the tax payable by him calculated in the manner laid down in sub-section (*1*) on that part of his income for such period, and shall pay such amount as accords with his estimate in equal instalments on such of the dates specified in sub-section (*1*)(*a*) as have not expired or in one sum if only the last of such dates has not expired:

Provided that the assessee may send a revised estimate of the tax payable by him before any one of the dates specified in sub-section (*1*)(*a*) and adjust any excess or deficiency in respect of any instalment already paid in a subsequent instalment or in subsequent instalments.

(*3*) Any person who has not hitherto been assessed shall, before the 15th day of March in each financial year, if his total income of the period which would be the previous year for an assessment for the financial year next following is likely to exceed six thousand rupees, send to the Income-tax Officer an estimate of the tax payable by him on that part of his income to which the provisions of section 18 do not apply of the said previous year calculated in the manner laid down in sub-section (*1*), and shall pay the amount, on such of the dates specified in that sub-section as have not expired, by instalments which may be revised according to the proviso to sub-section (*2*).

(*4*) Where part of the income to which sub-section (*1*), (*2*) or (*3*) applies consists of any income of the nature of commission which is receivable periodically and is not received or adjusted by the payer in the assessee's account before any of the quarterly instalments of tax become due, he may defer payment of tax on that part of his income to the date on which such income would be normally received or adjusted and if he does so he shall communicate to the Income-tax Officer the date to which such payment is deferred:

Provided that, if the tax of which the payment is deferred is not paid within fifteen days of the date on which such income or part thereof is received or adjusted by the payer in the assessee's account, the tax shall be payable with six per cent. simple interest per annum from the date of such receipt or adjustment to the date of payment of the tax.

(*5*) The Central Government shall pay on any amount paid under this section simple interest at two per cent. per annum from the date of payment to the date of the assessment (hereinafter called the 'regular assessment') made under section 23 of the income, profits and gains of the previous year for an assessment for the year next following the year in which the amount was payable:

Provided that on any portion of such amount which is refunded under the foregoing provisions of this section interest shall be payable only up to the date on which the refund was made.

(*6*) Where in any year an assessee has paid tax under sub-section (*2*) or sub-section (*3*) on the basis of his own estimate, and the tax so paid is less than eighty per cent. of the tax determined on the basis of the regular assessment, so far as such tax relates to income to which the provisions of section 18 do not apply and so far as it is not due to variations in the rates of tax made by the Finance Act enacted for the year for which the regular assessment is made, simple interest at the rate of six per cent. per annum from the 1st day of January in the financial year in which the tax was paid up to the date of the said regular assessment shall be payable by the assessee upon the amount by which the tax so paid falls short of the said eighty per cent.:

Provided that, where, as a result of an appeal under section 31 or section 33 or of a revision under section 33A or of a reference to the High Court under section 66, the amount on which interest was payable under this sub-section has been reduced the interest shall be reduced accordingly and the excess interest paid, if any, shall be refunded together with the amount of income-tax that is refundable:

Provided further that, where a business, profession or vocation is newly set up and is assessable on the income, profits and gains of its first previous year in the financial year following that in which it is set up, the interest payable shall be computed from the 1st day of April of the said financial year.

(*7*) Where, on making the regular assessment, the Income-tax Officer finds that any assessee has—

(*a*) under sub-section (*2*) or sub-section (*3*) underestimated the tax payable by him and thereby reduced the amount payable in any of the first three instalments, or

(*b*) under sub-section (*4*) wrongly deferred the payment of tax on a part of his income,

he may direct that the assessee shall pay simple interest at six per cent. per annum, in the case referred to in clause (*a*) for the period during which the payment was deficient on the difference between the amount paid in each such instalment and the amount which should have been paid having regard to the aggregate tax actually paid under this section during the year, and in the case referred to in clause (*b*) for the period during which the payment of tax was wrongly deferred on the amount of which the payment was so deferred:

Provided that for the purposes of this sub-section any instalment due before the expiry of six months from the commencement of the previous year in respect of which it is to be paid shall be deemed to have become due fifteen days after the expiry of the said six months.

(*8*) Where, on making the regular assessment, the Income-tax Officer finds that no payment of tax has been made in accordance with the foregoing provisions of this section, interest calculated in the manner laid down in sub-section (*6*) shall be added to the tax as determined on the basis of the regular assessment.

(*9*) If the Income-tax Officer, in the course of any proceedings in connection with the regular assessment, is satisfied that any assessee—

(*a*) has furnished under sub-section (*2*) or sub-section (*3*) estimates of the tax payable by him which he knew or had reason to believe to be untrue, or

(*b*) has without reasonable cause failed to comply with the provisions of sub-section (*3*),

the assessee shall be deemed, in the case referred to in clause (*a*), to have deliberately furnished inaccurate particulars of his income, and in the case referred to in clause (*b*), to have failed to furnish the return of his total income; and the provisions of section 28, so far as may be, shall apply accordingly:

Provided that the amount of penalty leviable shall, in the case referred to in clause (*a*), be a sum not exceeding one-and-a-half times the amount by which the tax actually paid during the year under the provisions of this section falls short of the tax that should have been paid by the assessee under sub-section (*1*) or eighty per cent. of the tax determined on the basis of the regular

assessment as modified in the manner provided in sub-section (*6*), whichever is the less, and, in the case referred to in clause (*b*) one-and-a-half times the said eighty per cent.

(*10*)(*a*) If any assessee does not pay on the specified dates any instalment of tax that he is required to pay under sub-section (*1*) and does not, before the date on which any such instalment as is not paid becomes due, send under sub-section (*2*) an estimate or a revised estimate of the tax payable by him, he shall be deemed to be an assessee in default in respect of such instalment or instalments.

(*b*) If any assessee has sent under sub-section (*2*) or sub-section (*3*) an estimate or a revised estimate of the tax payable by him, but does not pay any instalment in accordance therewith on the date or dates specified in sub-section (*1*), he shall be deemed to be an assessee in default in respect of such instalment or instalments:

Provided that the assessee shall not, under clause (*a*) or (*b*), be deemed to be in default in respect of any amount of which the payment is deferred under sub-section (*4*) until after the date communicated by him to the Income-tax Officer under that sub-section.

(*11*) Any sum other than a penalty or interest paid by or recovered from an assessee in pursuance of the provisions of this section shall be treated as a payment of tax in respect of the income of the period which would be the previous year for an assessment for the financial year next following the year in which it was payable, and credit therefor shall be given to the assessee in the regular assessment."

6. Amendment of section 24, Act XI of 1922. —In section 24 of the said Act,—

(*a*) in sub-section (*1*), in the existing proviso, after the word "Provided" the word "further" shall be inserted, and before that proviso the following proviso shall be inserted, namely:—

To—The Heads of Affiliated Colleges in Bengal and Assam.

SIR,

The undersigned has the honour by direction of the Vice-Chancellor and Syndicate to invite the attention of Heads of Colleges to this office circular No. C. 1866, dated the 7th November 1924, as modified by circular No. C. 3779, dated the 1st June 1935, regarding submission of applications for affiliation or extension of affiliation of colleges on or before the 1st of November immediately preceding the session from which affiliation is sought. It was stated therein that as Government desired all such applications to reach them not later than the 31st of March, Heads of Colleges should see that such applications reached the University on or before the 1st of November, to enable the University to send them to Government in time.

In recent years, however, applications for new affiliation or extension of affiliation were often received in the University later than the 1st day of November. On account of this delay, the University could not forward its recommendations regarding such applications to Government within the last date fixed for the purpose. In the circumstances the undersigned is directed to point out that any application received after the 15th of November for new affiliation or extension of affiliation to take effect from the commencement of the following session will not be entertained.

2. Interpretation.—In this Ordinance "police" means all persons, and "police-officer" means a person, enrolled or appointed under either the Police Act (V of 1861), as in force in British Burma, or the Rangoon Police Act (Burma Act IV of 1899), and not having resigned or been discharged in accordance with the provisions of the aforesaid Acts.

3. Application of Burma police law in British India.—Any law of British Burma for the government of the police shall, in relation to a police-officer who is for the time being in British India, have effect in British India as if such law was a law of British India.

4. Jurisdiction of British Indian Courts in respect of offences under the Burma police law.—Any act committed in British India by a police-officer which, if committed in British Burma, would be punishable under any law of British Burma for the government of the police, shall be punishable in British India, as if the act constituted an offence under the law of British India and as if the law of British Burma for the government of the police was a law of British India.

5. Saving of jurisdiction of British Indian Courts.—Nothing in this Ordinance shall affect the jurisdiction of any criminal Court in British India to try any police-officer for any act constituting an offence under the law of British India.

PART VI—Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 31st March 1944:—

L. A. BILL No. 17 OF 1944.

A Bill further to amend the Indian Bar Councils Act, 1926, and the Legal Practitioners Act, 1879.

WHEREAS it is expedient further to amend the Indian Bar Councils Act, 1926 (XXXVIII of 1926), and the Legal Practitioners Act, 1879 (XVIII of 1879), for the purposes hereinafter appearing; It is hereby enacted as follows:—

1. Short Title.—This Act may be called the Indian Bar Councils and Legal Practitioners (Amendment) Act, 194 .

2. Amendment of section 10, Act XXXVIII of 1926.—To sub-section (1) of section 10 of the Indian Bar Councils Act, 1926 (XXXVIII of 1926), the following explanation shall be added, namely:—

"*Explanation.*—If an advocate has been convicted of an offence under section 124A of the Indian Penal Code (XLV of 1860), or under any of the provisions of the Criminal Law Amendment Act, 1908 (XIV of 1908), or of the Defence of India Act, 1939 (XXXV of 1939), or the rules made thereunder, but has not been found guilty of any violence or of any incitement to or abetment of violence, he shall not be liable to be proceeded against under this sub-section."

3. Insertion of new section 13A in Act XVIII of 1879.—After section 13 of the Legal Practitioners Act, 1879, the following section shall be inserted, namely:—

"*13A. Sections 12 and 13 not to apply in certain cases.*—Notwithstanding anything contained in section 12 or section 13, no pleader or mukhtar holding a certificate as aforesaid shall be liable to be proceeded against under either of those sections,

merely on the ground that he has been convicted of any offence under section 124A of the Indian Penal Code (XLV of 1860), or under any of the provisions of the Criminal Law Amendment Act, 1908, (XIV of 1908), or of the Defence of India Act, 1939 (XXXV of 1939), or the rules made thereunder, if he has not been found guilty of any violence or of any incitement to or abetment of violence."

4. Retrospective application of Act to certain cases.—Any advocate, pleader or mukhtar against whom any action has been taken before the commencement of this Act, by a High Court under the Indian Bar Councils Act, 1926 (XXXVIII of 1926), or the Legal Practitioners Act, 1879 (XVIII of 1879), on the ground that he has been convicted of an offence under section 124A of the Indian Penal Code (XLV of 1860), or under any of the provisions of the Criminal Law Amendment Act, 1908 (XIV of 1908), or of the Defence of India Act, 1939 (XXXV of 1939), or the rules made thereunder, shall have a right to apply to the High Court concerned for a review of the order passed against him, and such High Court shall vacate such order if the advocate, pleader or mukhtar has not been found guilty of any violence or of any incitement to or abetment of violence.

STATEMENT OF OBJECTS AND REASONS.

The amendment to the Bar Councils Act and the Legal Practitioners Act envisaged above has been made necessary by the action taken by certain High Courts acting together with their respective Bar Councils, striking off the names of Advocates from the rolls of Bar Councils because of convictions by Criminal Courts on account of the political opinions held by the Advocates or for acts committed by them in the process of giving expression to such political opinions. It has been felt by responsible members of Bar Councils that such action was imperative in the face of the present wording of the Bar Councils Act and the Legal Practitioners Act. The inequity of a person being deprived of his levelihood for political opinions held by him can easily be understood by all in this country, and in order to obviate the difficulties experienced by the members of the legal profession outlined above the present Bill has been introduced.

PART IVA—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly

Bengal Legislative Assembly Department.

NOTIFICATION.

No. 1232.—17th June 1944.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on the 12th May, 1944, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL TENANCY (AMENDMENT) BILL, 1944.

A BILL

to amend further the Bengal Act VIII of 1885.

WHEREAS it is expedient to make further provision for the amendment of the Bengal Tenancy Act, 1885;

It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*i*) This Act may be called the Bengal Tenancy (Amendment) Act, 1944.

(*ii*) It extends to the whole of Bengal.

(*iii*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Amendment of Schedule.

2. In Schedule III, Part III—Applications, in column I (Description of application), in item 6, the expression "and not being a decree for a sum of money exceeding Rs. 500, exclusive of any interest which may have accrued after decree upon the sum decreed, but inclusive of the costs of executing such decree;" shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

This amendment is necessary in order to prevent the landlords from dragging for 12 years an execution of a rent decree exceeding Rs 500 under the provision of the Limitation Act, 1908, and excluding the special limitation of three years provided by the Bengal Tenancy Act. This exclusion of the execution proceedings from the special limitation of the present Bengal Tenancy Act has caused widespread distress amongst the tenants who cannot come out of the clutches of the landlords for a long period of 12 years. It is to remedy this defect in the Act that the present amendment is required. Moreover now that a new provision has been made in the Bengal Tenancy Act to put up to sale only the tenancy in respect of which the arrear rents are due in the execution of the rent decree, there is no necessity of extending the period of execution for 12 years as required before.

A BILL

further to amend the Bengal Tenancy Act, 1885, and the Bengal Tenancy (Amendment) Act, 1940 (Bengal Act XVIII of 1940).

WHEREAS it is expedient further to amend the Bengal Tenancy Act, 1885, and the Bengal Tenancy (Amendment) Act, 1940, for the purposes and in the manner hereinafter appearing;

It is hereby enacted as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Bengal Tenancy (Amendment) Act, 1944.

(*2*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Amendment of section 168A.

2. In section 168A of the Bengal Tenancy Act, 1885, the mark of punctuation "Colon" after the word "relates" at the end of sub-clause (*a*) of clause (*1*) shall be deleted and the following shall be added, namely:—

"nor be executed by arrest and detention of the judgment-debtor":

STATEMENT OF OBJECTS AND REASONS.

This amendment has been proposed with the object of preventing execution by arrest and detention of the judgment-debtor and to fully confine execution by following the tenure or the holding to which the decree or certificate relates.

NOTIFICATION.

No. 1234L.A.—17th June 1944.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on the 12th May, 1944, is hereby, published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL LAND REVENUE SALES (AMENDMENT) BILL, 1944.

A
BILL

to amend Act XI of 1859.

WHEREAS it is expedient to make further provision for the amendment of the Bengal Land Revenue Sales Act, 1859;

It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*1*) This Act may be called the Bengal Land-revenue Sales (Amendment) Act, 1944.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Amendment of section 37.

2. In the 7th line of section 37 of the Bengal Land Revenue Sales Act, 1859, hereinafter referred to as the said Act, after the words "under-tenures", the words "lying entirely within that estate" shall be inserted.

Amendment of section 37.

3. In the second exception of section 37 of the said Act, after the words "at a fixed rent", the words "or tenures held at a fixed rent or rate of rent or rent-free tenures existing for more than fifty years prior to the date of such sale" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Since the Calcutta High Court Full Bench decision in the case of Khemankari Dassi *vs.* Rani Harsha Mukhi Dassi reported in 47 Calcutta Weekly Notes, page 582, a difficulty has arisen regarding annulment of a tenure partly within one estate sold for arrears of revenue and partly within another estate which cannot, however, be separated without the partition of these estates. If the portion of the tenure is wholly included within one estate and partly within another and the tenure cannot be divided without the division of the estates by metes and bounds, such a tenure should not be annulled by a revenue sale without subjecting the tenure-holder to a multiplicity of suits. In order to safeguard the interests of such a tenure-holder, the first amendment is absolutely necessary.

Regarding the second amendment, it is hardly possible to trace an existing tenure, even it be created before the Permanent Settlement, from the very old records of the Settlement most of which are now lost or rendered useless after a lapse of 150 years and the demarkation marks, boundaries and description of the lands under that tenure have undergone considerable changes so as to baffle proper identification. There is nothing in the present Land Revenue Sales Act like the provision of section 50(*2*) of the Bengal Tenancy Act, 1885, for a presumption of a tenure arising from the time of the Permanent Settlement by showing in respect thereof payment of a fixed rent or rate of rent which has not been changed during the twenty years immediately before the institution of a suit or proceeding for the same. Consequently, the tenure-holder is always to feel the insecurity of his tenancy and is subjected to great difficulties at every revenue sale when he is to run the risk of an annulment of his tenure whatever improvement he might have made in the lands in the meantime. In order to protect his interest, this amendment is required.

PART VI—Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council andAssembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 31st March 1944:—

L. A. BILL No. 19 OF 1944.

A Bill further to amend the Factories Act, 1934.

WHEREAS it is expedient further to amend the Factories Act, 1934 (XXV of 1934), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. Short title and commencement.—(1) This Act may be called the Factories (Second Amendment) Act, 1944.

(2) It shall come into force in a Province on such date as the Provincial Government may, by notification in the official Gazette, appoint in this behalf for the Province.

2. Insertion of new section 35A in Act XXV of 1934.—After section 35 of the Factories Act, 1934 (XXV of 1934) (hereinafter referred to as the said Act), the following section shall be inserted, namely:—

"35A. *Compensatory holidays.*—(1) Where, as a result of the passing of an order or the making of a rule under the provisions of this Act exempting a factory or the workers therein from the provisions of section 35, a worker is deprived of any of the weekly holidays for which provision is made by sub-section (1) of that section, he shall be allowed, as soon as circumstances permit, compensatory holidays of equal number to the holidays so lost.

(2) The Provincial Government may, make rules prescribing the manner in which the holidays, for which provision is made in sub-section (1), shall be allowed."

3. Insertion of new Chapter IVA in Act XXV of 1934.—After Chapter IV of the said Act the following Chapter shall be inserted, namely:—

"CHAPTER IVA.

HOLIDAYS WITH PAY.

49A. *Application of Chapter.*—The provisions of this Chapter shall not apply to a seasonal factory.

49B. *Annual holidays.*—Every worker who has completed a period of twelve months continuous service in a factory shall be allowed, during the subsequent period of twelve months, holidays for a period of at least seven consecutive days, inclusive of the day or days, if any, on which he is entitled to a holiday under sub-section (1) of section 35.

(2) If a worker fails in any one such period of twelve months to take the whole of the holidays allowed to him under sub-section (1), any holidays not taken by him shall be added to the holidays to be allowed to him under sub-section (1) in the succeeding period of twelve months, so however that the total number of days holidays which may be so added to the holidays to be allowed to him under that sub-section in any one such period shall not exceed seven.

Explanation.—A worker shall be deemed to have completed a period of twelve months continuous service in a factory notwithstanding any interruption in service during those twelve months brought

about by sickness, accident or authorised leave, or by a lock-out, or by a strike which is not an illegal strike, or by intermittent periods of involuntary unemployment not exceeding thirty days in the aggregate.

49C. *Pay during annual holidays.*—Without prejudice to the conditions governing the day or days, if any, on which the worker is entitled to a holiday under sub-section (1) of section 35, the worker shall, for the remaining days of the holidays allowed to him under section 49B, be paid at a rate equivalent to the average of his earnings during the preceding three months, exclusive of any earnings in respect of overtime.

49D. *Payment when to be made.*—A worker who has been allowed holidays under section 49B shall, before his holidays begin, be paid half the total pay due for the period of holidays.

49E. *Power to make rules.*—The Provincial Government may make rules to carry into effect the provisions of this Chapter.

49F. *Exemption of factories from provisions of this Chapter.*—Where the Provincial Government is satisfied that the leave rules applicable to workers in a factory provide benefits substantially similar to those for which this Chapter makes provision, it may, by written order, exempt the factory from the provisions of this Chapter."

4. Amendment of section 60, Act XXV of 1934.—In section 60 of the said Act,—

(a) at the end of clause (f), the word "or" shall be added;

(b) after clause (f) as so amended, the following clause shall be inserted, namely:—

"(g) there is any contravention of section 49B, 49C or 49D, or of any rule made under section 49E,".

5. Amendment of section 61, Act XXV of 1934. In section 61 of the said Act, for the brackets and letter "(f)", the brackets and letter "(g)" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

The desirability of holidays with pay for workers is evident. The present Bill seeks to confer on workers in perennial factories the benefit after a year's service, of at least seven consecutive days holidays of which at least six will be paid for. The Bill does not seek to affect the continuance of other local or customary holidays at present given by an employer to his workers.

The holidays will be allowed to accumulate, up to one week being added to holidays subsequently earned.

Provincial Governments will be empowered to exempt any factory in which the leave rules provide for benefits substantially similar to those included in the Bill.

The Royal Commission on Labour made certain modest recommendations for voluntary action in regard to paid leave for factory workers, but these did not lead to substantial progress. The International Labour Conference adopted at its twentieth session in 1936 a Draft Convention on Holidays with Pay. The Government of India has not ratified the convention, but Provincial Governments and interests concerned have been consulted on the subject of Holidays with Pay. The present Bill which follows these consultations covers not an unimportant part of the Draft Convention.

Opportunity is also taken to provide for the grant of compensatory holidays against the loss by a worker of his weekly holidays, as a result of any order or rule made under the Factories Act.
